“ Our heart aches at the loss of a friend. I have searched over and over in my mind to find words to help ease the pain my dear friend Vickie and her family is going through.
I do pray for you and your family in your hour of sorrow. And sending all of our love to you.
Danny was an awesome man. And I never once met him where he was not wearing a smile and trying his best to put one on me. He had a gift that allowed him to break through a wall of silence and create a friendship. His love for his wife and family can only be added on by his love of friends.
Be still and know that he walks with our Saviour.
Love, Gary & Patty
