

Danny Wayne Thompson

September 14, 1948 - June 19, 2023

Danny Wayne Thompson, 74, of Louisville, Kentucky, went to be with the Lord on June 19th, 2023.

Danny lived his entire life in Louisville and his chosen career was the construction business. He started as a laborer and worked his way up to foreman, in addition to doing estimating work at the end of his career. Danny loved to design things and see projects through to completion.

He joined the U.S. Marine Corps at 27 years of age and used his mechanical skills and expertise to become a crewman working on Harrier fighter jets. He travelled the world in the Marine Corps and was always proud to have served his country.

Danny possessed a heart that was kind and his ability to forgive and forget was truly remarkable. He had a razor-sharp wit that always made others laugh, often surprising them that he could think of something so funny so quickly. Danny was a true inspiration as it related to overcoming adversity. Even though he was confined to a wheelchair, Danny never made excuses and continued to challenge himself to accomplish difficult things.

Danny would have moved mountains for his wife, children, family, and friends. And never would he have asked for anything in return.

His spirit remains with us all. Fight on, fighter.

Survivors include his wife of 20 years Mary J. (Hurley) Thompson; four children, Troy Thompson (Christy), Danny Hurley (Dannielle), Danielle Alexander (Jason) and Jessica Hurley (Jessica); a brother, Dale Thompson; eleven grandchildren and two great grandchildren.

Visitation will be 11:00 A.M. – 4:00 P.M. Saturday, June 24, 2023 with funeral services to be held at 4:00 P.M. at the Owen Funeral Home 5317 Dixie Hwy.

“ Troy you have always had a positive influence on our family and so has your Dad. He was quite the man. I'll always cherish the time we spent together remodeling your basement and aggravating you. You are correct in saying your Dad was a very inspirational man. Not only did he teach me carpentry during our project together he also taught me adversity as well. He was a very knowledgeable man and always shared his insight. We are thankful for his military service as a Marine. Men like that are always thinking of others before their selves. Your Dad had accomplished a lot in his lifetime and I believe one of his successes is having you as a son. I'm sure he is very proud of you.

“May he rest in peace Amen”

We Love You,
Pat & Pam Brunton
