“ I would like to express my heartfelt condolences on the passing of Darlene.

*I met "DeeDee" in the late 1990's when we both worked as part of a team to help kids get adopted. Over the years she became my best friend. I remember as a receptionist she was always great at welcoming the kids when they would come to the office. She would offer them a kind smile and a wave.*

*As a friend, she was always there for me. We laughed and cried together over the years. She gave the best, big hugs! She was there in good times and in bad. She was the first person I called to share whatever the news of the day was. I'm going to miss her. I am grateful to have known her.*

*I'd like to express gratitude to Stephanie and Alyssa Young, Georganna Hoffman and Carol O'Brien who contributed toward the flowers and are friends who will also remember her with love.*

*May God Bless You and Your Family at this difficult time.*

*Alix Kaainoa-Thomas*
