“ I will miss introducing you as "my other brother Darrell". Dad didn't have the patience to teach me how to fish or ride my bike, and he wasn't good at fixing things. I guess that is why God sent you as my brother. For more than just the obvious, there will always be an empty place in my heart. Til the day we meet again, love your lil Sis

“ to the family my thoughts and prayers are with you. i wish darrell and i had stayed in touch. we grew up in the same area, rode to school together, ran the streets. darrell always had something to work on or ride around in. have fond memories of the old van, firebird, gto and playing around in that garage. we had some good times and life was simple back then. thanks darrell. you will be missed

“ I'm so sorry for your lost. Darrell was the neighbor kid down the street, he was a good kid growing up, he always made you laugh. Sometimes I would cut his hair, and Tommy Syder's, they had the same hair cut. ha ha On halloween he always brought his daughter Tabitha down for us to see her, he was very proud of her. We always had some good talks about everything. He was fun to be around. I'm glad to had known him and glad he didn't suffer long. My prayers are for all of his family, and peace to him and you. love, Mo & Della Moberley
