“ Sue, Amber and Adam
The last thing I ever thought I would be doing is writing this message to you all. It is so hard for me to believe that David has passed. In the years gone by I had so much fun being harassed by him. I can still see that innocent look on his face.....never guilty of the crime lol. Even though I had not visited with you guys over the past years you were still close in my heart. I love you guys and I loved David. I miss him already.....So glad I got to see him at the
Fourth of July family get-together.
Thinking of you,
Love Linda Kay.....and James
