“ I'm sorry for the loss of poppy, the sweetest man ever. It has been a pleasure to meet and know him. I love you Shelby, Kim, and Hayley. Just remember he is no longer in any kind of pain. I'm always here, and it's been 8 months or so since I lost papaw and I'm not going to sugar coat it and say it's gotten easier because it hasn't. Everyone copes differently. But do remember this as well he will always be right there with you and of course he loved all of you dearly but you don't need me to tell you all that...
