“ We are all blessed for having known Dave. He truly cared about Foresters and mankind in general. He brightened up our monthly teleconferences with his wit and knowledge. It won't be the same without hearing his distinctive and tender "chemo voice" (as he called it). We already miss you, Dave! Branch 3010 - N Central & W Texas

“ Dear Elberta and family, my thoughts and prayers are with you at this difficult time. Cousin David has moved on to a better place and is at peace. Although we hadn't seen each other in recent years, I'll always remember his kindness to me and our happy visits when we were kids. I hope we'll all meet again someday.

“ My thoughts and prayers are with your family. I love Dave and his spirit especially while he fought this battle against cancer, he had such a great attitude. I know that his great attitude is what kept him with us as long as it did. So glad we got to spend time with him this summer at the Foresters camp out in Mackinaw. Our Regional Council will not be the same with out him. Rest in Peace my friend.

“ When we were boys David was more a brother than a first cousin. Moving to different cities we lost touch. After reconnecting it was apparent from the first meeting that David still had the same outgoing friendly personality of his childhood. What a joy it was just to talk with him. I am grateful to have known David and hopefully will see him again in the next life. Will pray and mourn for him.

“ My heart is broken by the passing of a wonderful man. Dave always had a smile, handshake or hug, and a happy thought for all he met. He guided me into the Foresters organization and was always available with encouragement. We will miss his guidance and love.
Elberta, you are in my prayers and thoughts as you go through this sad time. Love to you and your family.
