“ He was my work buddy, a friend, my wonderful brother inlaw at one time. A beautiful soul of whom my memories of him I will never forget. You David were the definition of what a true friend should be. I will never forget you my beloved brother. ❤️

“ Dave was my best friend when I was in the family. I guess you could have called him my protector cause that's just what he did. We worked together at a company in Louisville, and he was such a joy to work with. I will always love the only brother inlaw I ever had. I love you Dave!

“ *Dave Flood was always a kind soul during my tenure at Raque from 1990-2007. He was always calm, cool and collected, with never a bad word for anybody. Dave had a great sense of humor, and he helped us in many a practical joke played on our college interns. May he Rest In Peace.*
