“ *I had the pleasure of being one of the last few people David spent time with as I treated him at Frazier rehab. He was full of spunk and wit right up to the last minute. I'm thankful our paths crossed one last time before he left this earth. I imagine he's having one hell of a reunion with my dad right about now. So sorry to his family, sending all my love and condolences ❤️*

“ My dad And David where very good friends when they where younger, as a matter of fact my mom went in labor with me when they where on the river at Captains Quarters. This breaks my heart as I am saying my goodbyes to my mother today also. Prayers to the Linings, my heart is with all of you.

Bill & I have such fond memories of the years we knew David. Both of our kids worked with him at the restaurant. David was an outstanding person and will be missed by all those who were lucky enough to have known him! RIP David! Give a hug to our son Ricky!
