“ I knew Michelle through the Blessed Hippies group. She loved to craft. We gathered one day to make gnomes and various other crafts. This is a picture of her sporting her hand made earrings. Will miss her free spirit and love. Rest peacefully my hippie friend. Prayers for family

“ *The world lost a beautiful soul. I will miss her laugh and her loving spirit. She would have done anything for anybody. The first to reach out to help. She was a true friend. She was also my sister for many years.*

*To her family I am so sorry for your loss. I have been praying for you all and will continue to do so. This picture is from several years ago. It shows her funny side too. RIP Michelle until we see you again*

“ *To my dear sweet wonderful friend Nicki, I never got to meet your momma, only through you, and if you were anything like her, then she was a remarkable person, I would almost bet that is where you got your feistiness and great sense of humor. And that southern girl charm 😊, my heart breaks for you and your family, I can honestly say I know exactly what you are going through, and we always think it's the bad memories that make us sad which is not true those happy memories sneak out and slide down our cheeks, I love you and have you and your family in my heart and will be praying for y'all*

*Love forever your friend Judy Kappes*

“ *My dearest sister, you lived your life with such a huge caring heart. Thank you for always caring as much as you did for me and always reminding me of momma. The love you had for your children as well as grandchildren was shown in everything you did. There's no doubt that you loved them and want the best for them. Your worrying days are now over sis, you can relax and rest easy. You will spend the rest of your days with momma and David looking down upon us all. I will always be here for Nikki and Chrissy. Thank you for all the loving memories that you've given me. I will miss you dearly. Rest easy Sis, I love you*
