“ I remember the first day I met Debbie. It was her first day at BCBS. She came up to me in the lunch room and said Hi I am Debbie and this is my first day. I invited her to sit with me and we were friends every since. I feel so blessed that she chose me to be her friend. She was like a ray of sunshine. We had lots of laughs. She was very smart and I looked up to her. I am so sad about this. Tommy and Kelly my prayers and thoughts are with you.
