“ I became acquainted with Miss Deborah a few months ago at Christopher East Health Center when my godfather was a patient there. He has returned to Christopher East Health Center but I was saddened to learn of Miss Deborah's passing. In my lifetime I have never met anyone with the love of life and Christian exuberance that Miss Deborah shared with me. I am blessed to have known Miss Deborah in my life. I shall greatly miss her. I know that Heaven is richer with Miss Deborah's presence. I pray for Miss Deborah and all members of her dear family. I know all of her family members were especially precious to Miss Deborah. I only learned of Miss Deborah's passing today and I am in solemn bereavement; yet, I have joy in knowing I have a new friend in Heaven! I am Miss Deborah's friend; Sir Erwin.
