“ Vivian, Danny and family,  
I'm very sorry for the loss of your Dad. He will be greatly missed by many. He was a huge part of my life growing up and I cared deeply for him, your Mom and both of you. I know you must still be grieving for your Mother and now your Dad. When I saw him the few times I did in the years since not attending Rockford View he always talked of you with such love and pride as well as the Grandchildren. Know that I will have you in my heart, my prayers and thoughts as you once again face grief for a parent.  
Love, Carolyn Meredith Ederheimer

“ Dan,  
Kathy and I are sorry for your loss. I did not know your father personally but I felt like I knew him through your stories and your relationship with him. To the extent that most sons reflect their father's values and character, I'm sure he must have been as proud of you as you were him. We are praying that God will comfort you, Teri and your families during this time of grieving by wrapping you in His love.
