“ Dennis "JR" as I always called him will be truly missed, he was a great friend. I spent a lot of time with him in the woods hunting, fishing and will for ever cherish those memories !!! I haven't been able to see him very much in these past years, but we always talked on the phone and had a few visits. We had a lot of laughs together!! Our heart goes out to his family for their loss. I know he was loved very much and he will truly be missed !!!!!.
