“ My sincerest sympathies to you. I remember holding Denny when he was just a baby. I have to say he was so fun to play with because it was never just babysitting to me. I know Denny will be dearly missed. Wishing you peace to bring comfort, courage to face the days ahead and loving memories to forever hold in your hearts.

“ Denny was such a cute little boy. Debbie, my daughter, babysit him and he was such a joy when he came in the mornings. If I was home from work exercising he would do my "Richard Simmon's exercises with me.

“ I was very sadden on Sunday when Kelly called me to tell me about Denny. Kelly said she called me because she knew I cared about Denny. I have helped Denny over the years at the Center for Accessible Living. I helped him get an apartment and thou it wasn't a great success he sure enjoyed it while it last. I am so sorry for the family lost. Denny was a very special young man. Denny was always so friendly when I saw him at Frisch's always wanting to tell me what was happening to him. It is sad so very sad but he made so many people feel special in his short life. I am sure he won't have any trouble making friends in Heaven. I will pray for Kelly, Cheryl, Amy and the rest of the family that you will heal quickly from this terrible pain.
