“ To all the Fondern Family: Derrick was truly a wonderful person to be around. He was always smiling and laughing. All he talked about was his family. We are going to miss him very much.

My Sweet light hearted son When I came into your life. You were kinda sad and missing a mom. So I stepped in and your dad and took over you were 7 you took everything way too serious. I thought you to be light hearted. Don't sweat small stuff. Don't let anyone get you down You're Very Special. Be your own person. I loved your smile and laugh. And we were a family all 6 of us. Failed to mention in the obituary was my children and I. Several people there knew I had been a great caring step mom. My only regret is when you asked to call Me Mom I told you it may upset your mother Gayle. But she was only there twice a month. I was Full Time. I was there when others had their Own Lives I enjoyed every minute and would Not changed anything I Love 🥰 you my son Mom

Yes Derrick, you are one great guy. I'm so happy I was there for you when your mom left you. Actually you were the reason I stayed around. You needed me. You were broken as your brother Chris also. Your mom and dad had little patience for u. But I on the other hand understood you and all u had been thru Your mom was out doing her own thing and your dad was working 7 days per week we had a great relationship from the start.
