“ *My Great Grandmother was a wonderful lady. Visits to her house always felt like a holiday with the excitement that filled me every time I visited. She ,(Granny) as me and my brother called her, would always welcome us with open hugs and kisses while always making sure we where loved. She will surely be missed for year and years to come.*

“ *Diane was a special lady. She was always kind, caring, supportive and a great friend and neighbor to our family. Since Mom didn't drive and walked to work, she would often call and offer to take her to work in bad weather. Her phone calls, cards and friendship meant a lot to all of us, but especially to Mom. She was a great example of a loving Christian woman. Hugs and prayers to those that will miss her.*

A wonderful, beautiful lady inside and out. We met her through church. She helped with meals. The three of us my husband included tacked. The islands. Cleaning them out. We picked her up for church. Had lunches after Bible study. She will be missed. Rest In Peace Dear Friend. Blessings to her family.

“ *Diane was one of the sweetest ladies I have ever met. I attended church and Bible Study with her and all of the Bible study group would go out to eat afterward, we all had a very good time. I surely missed her when she had to quit attending church.*
