“ *She was an angel here on earth now she is in Heaven. Always the sweetest, caring for others, most kind hearted, God fearing Christian woman. And the most protective grandma of Mollie, who would follow the school bus. Trust me she did not take her eye off of her fry. She loved her family fiercely and her beloved husband. You will never be forgotten. We will see you later Diane* 💜

“ Diane was a very special lady. I met her when I lived down the street from John (who was my go to spider killer) and she always was so kind to me and my son, always had time for us and even years later- never forgot a face! To her family and friends, I'm so sorry for your loss. In the small time I spent with her, she touched my heart, so I cannot imagine how much she meant to you all and how much she will be missed. She was a very kind, sweet and genuine person. So sorry for your loss.

“ *Diane was my mother's, (Carolyn (Horrell) Haig) best longtime friend from childhood. She was kind, steadfast, loyal, and gracious. I am so grateful they had one another's friendship to call on, despite distance or the passing of the years. As a kid, I recall hearing them reflect on so many fun times together and as an adult, I admired their ability to never miss a beat on nurturing that bond that they had built; despite how much time may ever pass. More recently, we lost my Mema in July 2021. Diane was there with us, the entire time, like an angel, so supportive and loving. Please accept mine and my family's most sincere condolences on the loss of beautiful Diane. She will be sincerely missed.*

“ Diane was a wonderful and very generous neighbour. She loved to share beautiful things she would buy at yard sales. Always loving her family. She tried to live by following her Christian raising. I feel fortunate to have been her friend, she did not know the difference in colors.. according to her, we all are God's children regardless of race color or ethnicity. REST IN PEACE DIANE.
