“ *The Poteet Family, I'm so sorry for your loss! I worked at Magnolia Springs and absolutely LOVED spending time with your mother. I always called her "Pumpkin" and she would always smile. My favorite memory of your mother, is at the last derby party we had at Magnolia. She had picked the winning horse out of the bucket. After the derby race, she came walking down the hall from her room to the theater with her winning ticket and was SO excited about winning! Praying for everyone in her family!*

“ David,
I am sorry to hear about your mother. I did not know her but I worked with Linda at Durkee's. We have not conversed in a long while but I hope you both and your family are doing well.

“ I worked with Dolores at the Census Bureau and she was one of the nicest people I met while working there. I know she is jumping around on the clouds and having a blast. Prayers to everyone in her family.
