“ Dear Donna and Family, I was so sorry to hear about your Father. My prayers and love go out to your entire family. I remember him always getting everyone to laugh and have fun. May your memories and love with your entire family comfort each other during this difficult time. I know because we just buried my father on Dec. 17 thru Owens. It was the first time my entire family had been together for over 7 years. May the love of family keep all of you close. God Bless. Love, Carolyn, Mark, Kyle and Sean Blackbourn.

“ Carolyn and all my cousins. I am so sorry to hear about Rudy's passing. I have such fond memories of him and all of you growing up. I remember he and Dad going back and forth about politics. I just loved that because it was usually me against my Dad. I was always on Rudy's side
My father just told me last night. I am so sorry I could not make it there. It meant alot to see you all at Grandma's funeral.
You all are in my heart, thoughts and prayers. I miss seeing everyone.
Peace be with you.
Love,
Laura
