“ I worked with Donnie for 15 years at Brinly-Hardy and he taught me a lot of things. He was the type of guy you want on your team. He was a thoughtful, dedicated, and truly caring person who acted as a mentor for many of us. Donnie will be sorely missed by myself and so many others that knew him. He was a man of integrity; someone you could trust and count on, a guy you could trust with your problems or the keys to your house. I'm really going to miss him, and Donna can count on me if she needs help.

Love,
