AP

“ I am a retired CID agent and served with Don during our careers. He was a good man and will be missed by his fellow agents. I am sure that he is still working cases up there for St Peter.

“ To the Green Family, my deepest and sincere condolences on the loss of Don.

My memory of him is a way of holding onto the things we love, the things we are, the things we never want to lose. He was a friend that placed me where I am today. His military & civil service legacy will be forever, but his love for his family ever longer.

All of you are in the prayers of many. May God bless each of you during these days.
