“ Uncle Donnie was such a stand up man. He was a loving Husband to Carol, a great Father to Jimmy and Brandon, a wonderful brother to his sister Barbara, a fun grandpa who loved his grandson Kyle. There are so many years of memories that we all have with Donnie. Memories that no one can take from our hearts and minds.

I will never forget all the great times we had growing up and staying during the summer with Grandma Grimes. Often times we would end up over at Aunt Carol, Uncle Donnie and Brandons house. All the moments of laughter we shared playing games, going on adventures, going to the lake and so many memories of just hanging at the house being crazy kiddos. Donnie would just be getting up from having worked 3rd shift at LG&E and us kids would be raring to go..All hyped up on sugary sweets wanting to go somewhere, play board games or just nag uncle Donnie because we thought it was funny. He would always joke around and cut up with us. Taking it all in stride. I remember going and playing miniature golf at a place on dixie and out on the outer loop. No matter what we were doing, we always had a good time.

Carol, Brandon, Jimmy, Barbara, Kyle and Jan. I pray that in the coming days you feel comforted in knowing Donnie is having the time of his life right now with all those who have passed before us. He may no longer be on the physical earth with us but I assure you his spirit is still with all of us. Praying you all will be able to find some peace as you navigate this tremendous loss. I love each one of you. God is in control even when we don't understand.

I love you all so much. Donnie will be deeply missed.

God Speed -
