“ *To Mr. Kempers family, I would like to express my condolences to you at the loss of your loved one. I know that my father (Earl Carnahan) has called him friend for many years. He has always spoke very highly of him Donny. They must have worked together countless times. It is sad to see men like Donny leave us, we can only hope that there will be young men of equal character to full their shoes. Sincerely, Cindy Carnahan-King*
