“ I have worked with Don for several years. He was always the "man" with the answers and the contacts. He was always a gentleman and the "protector" in his role in security at Medical Center Jewish East. It was honor to know him. He will never be forgotten and his legacy will be forever felt at East. My thoughts and prayers are with you, Judy, during this time. Bobbi Smith, Human Resources, Medical Center Jewish East

“ We will all miss Don greatly. His passion for his job and the people he worked for shined brightly every day that he was with us. Don was a wealth of information and helped absolutely anybody he could. On behalf of the Kentucky One Health Security Department, we send our deepest condolences.
