“ *Papaw was always so proud of his family, his country, and his faith. Some of my most cherished memories are from when I was younger and playing at “Papaw’s house.” He knew how to show love but also teach you right from wrong. I always looked forward to going to his house. It’s surreal to think he’s actually gone, but I know that his love will live forever in all of our hearts. I can still hear his laugh and see his smile. He lived a long life filled with so much love from family and friends. I’m so fortunate to get to call him one of my grandparents.*

“ *I can honestly say this man was loved by everyone he meets. The smile on his face, the kind words he spoke. We lost a great person and a good friend.*

*Jeff, Darlene, and Marlee love you and we will miss you so much. I hope you knew how much you were loved by the three of us. Jeff always said " I enjoy talking with Don"
Our heart is aching*
