Would like to give a special thank you to Maggie and Jim Whayne for over 23 years of unconditional love and constant care. “ Was sitting in the car listening to some classic rock and couldn't help but think of Donnie. We went to Heart, with Def leopard at the Kentucky State Fair and another year we went to see The Who at the Yum center. My daughter grew up around Donnie. Once she was grown she worked with him for years. I remember my mother introduced me to him decades ago. I miss my friend.

“ I believe I worked with Don as a bank teller for First National Bank
in the early 1970's. He was a hard working, friendly guy with a good
sense of humor. I am sorry he has died and hope he did not suffer.
