“ Don was a lovely man, a great spirit, and often popped his head into my office and dispensed a great one or two line gem of wisdom. my thoughts are with the family he leaves behind, and if there is anything I can do, please do not hesitate to contact me...

“ Ms. Tucker, I worked with Don for three years while at echo, and he was the man that if you had a question...he had the answer. I think back to those years and smile thinking about all the stories and good times we had together. It did not take long to know what was important to Don, and I have no doubt of his destination. I am thinking and praying for you and your family, and I am thankful to have known Don.
