

## Donald E. Watts

July 14, 2009

Watts, Donald E., 71, went to rest on Tuesday, July 14, 2009. He was a 1956 graduate of Male High School and served in the U.S. Navy on the U.S.S. Macon. He was an AAF retiree and was, currently, employed by the Kentucky International Convention Center. He was preceded in death by his parents, George P. and Stella (Watkins) Watts; a sister; and three brothers. Don was a member of Southeast Christian Church. His love for the Lord was ever present. He was a wonderful husband, father and pawpaw and was kind and generous to all. Survivors include his wife of 47 years, Sylvia Lane Watts; daughters, Donna Watts and Dawn Bays (Harold); grandsons, Jason and Kevin Bays; several nieces and nephews; and many, many friends. Cremation was chosen. A memorial service celebrating Don's life will be 7 pm Friday at Southeast Christian Church - Fireside Room. Owen Funeral Home, 5317 Dixie Highway is in charge of arrangements. Because Don supported many charities, especially Wayside Christian Mission, please consider a donation to a charity of your choice, in lieu of flowers.

“ Dear Sylvia, my thoughts and prayers have been with you and your dear family, but I know not what to say in a message. Just know I care and hope always to be a friend you will turn to if and when you feel you want someone to spend some time. Love, Joyce
