“ *It's been over a year without year and the girls and I still miss you just as much as the day you left us. Thank you for loving me the right away and for giving me Luna. She is JUST like you. I will always make sure she knows how amazing of a father you were. She will always know her daddy. We love you so much. Keep watching over us. <3 -Wifey*

“ *I was your patient from the brook, i cant believe you are really gone! ive been in & out of the brook for awhile now & every single morning i would get my shoes thrown at me & the lights turned on real quick to get up to get ready for the day by you. Every single time we had a convo you would always say something inspiring but in a serious ass way! you are loved and missed by many!!*
