“ I am beyond sad at the passing of this beautiful lady! I worked with her for years at Walgreens and when she left it was terrible and I have missed her. She had a gentle, kind spirit that came out in everything she did from speaking to her slow gentle walk! Sending love and prayers to her family, this world lost a beautiful person!! RIP sweet Donna, thanks for being you!

“ My heart is breaking. Donna was more than a sister in-law. She was a great friend. we had a lot of good times when I would come to Louisville to spend time with Mom. I would stay with Donna. We would go to Mike Linings or one of the steak houses. We laugh and sometimes we cried. Christy and I have been planning to come up and see everybody and see Donnas new house. Missy, Michael, and Linda I love you all. Your Mom was one of a kind. You will all be in our prayers and hope to see you all soon. Love Aunt Jan

“ One of the kindest ladies, I have ever come to know. She had a heart made of gold. She was always kind to my family. Being friends with Missy, Michael and Jennifer we came to know Donna very well. She is going to leave a huge hole in their family. May God give you comfort and peace during this difficult time. I hope you have comfort in knowing that one day you will see her again in Heaven. And that I am sure she was met by her love Big Mike. Donna you were loved and will be missed. I will never forget you and your kindness that you showed us. Jason, always thought of you like his mom too. Heaven gained a good one. I am sure she is just as beautiful in Heaven as she was on earth.

We love and miss you! Missy, Michael, Jennifer and family know that you are loved and we know that your hearts are broken.

Your Friend,
Terri Ray
