“ Troy, I am sorry for your loss. I understand what it is to have a sister that leaves us before we are ready and the hole left in our hearts. I will be praying for you and your family.

“ I will always have great memories of softball and volleyball games with your mom. Either working the concession stand or just watching the games. She always had the cutest purses! I know she will always be with you in spirit and I pray that God's love will comfort you during this time of great sorrow. Rest in Peace Donna.

“ Donna was a wonderful person who absolutely lit up when she talked about her family. She was warm and caring and really went out of her way to take care of people. I worked with her at Circuit City and her positive attitude and outlook on life made her a joy to be around.

*To her wonderful family, always know that Donna will be with you.
God Bless You.*

“ My prayers and thoughts are with you during this difficult time. I haven't seen Donna since I was a teenager when me and Dana were close, but the memories will always be cherished. I spent many days of my childhood at the Miller's house. God bless you in your time of loss.
