“ Donna was a very SPECIAL person and will truly be missed. My family and I have used Cox' Pharmacy for years. Donna always had kind words, a cheeful attitude and sincere concern for us. Her kindness, personal attention and, sometimes, teasing manner was much appreciated.  
She was fun to talk to and seemed to remember everyone's names. We consider her a friend and felt the same from her. She was a BLESSING and you all have our deepest sympathy.
