“ My thoughts and prayers are with you at your Mom's passing. I shared many great times with Donna and Frank,my best fiend at Flaget. One of the special times I remember is when they moved from Highland Ave to Brewer Dr. and we had to push the old truck we used from Donna's uncle to get it to start. It didn't matter because we thought we were on top of the world. Although the years go by, families grow, we always have the special time and place to remember. FRITZ

“ My condolences to Betty and the other members of Donna's family. Although I haven't seen or talked to Donna in many years, I have very fond memories of hanging out at the Ruff house on Kentucky Street,especially staging Halloween on her front porch. A fun time was had by all.
My prayers and thoughts are with you.
