“ I was only a member at St. Edward for 3 years and don't recall meeting Dorcas there. However, I went to St. Thomas More in my childhood and early adult years and she taught me baton twirling in middle school. I still have the lovely crocheted bell she made us all for Christmas one year and I think fondly of her every year when I put it on my tree. I think that bell is probably 46 years old but it looks new! What a lovely patient woman and I'm grateful she was in my life. Jennifer James Koenig
