“ Mitzi and Lori I was very sad to learn of your Mom’s passing. I remember babysitting Lori one summer. Your Mom was so amazing working a fulltime job and running the family home. She was the first real working Mom I was ever around. It was the 1970s and she represented to me that anything was possible. She was graceful, well spoken and loved you girls. Sorry i am not able to attend her service, but sending hugs from Tampa.
