“Doris was a wonderful sister and I enjoyed all those Sunday afternoons just riding around in the South end of Louisville and the Friday nights when we went to McDonalds and ordered their French fries and then drove across Preston Highway to Frisch and Ordered their Fish sandwich and soft drink and just sit there talking to each other. Doris, I loved our special time together and will always cherish those memories. Wish we could have spent more time together. I love you and will always miss you until we meet again in Heaven. Our family circle is being connected one by one.

Doris: I certainly was happy to have a little sister when you came along. Being the only girls was great in many ways but it was a lot more fun playing with my sister. We always enjoyed the love we shared and playing with dolls and the kitchen set dad made for us. As the years went by, our love for each other grew and grew. Our family times were always special. I will always cherish you singing the old hymns with me. The one we loved the most was When We All Get To Heaven, What a day of R E J O I C I N G That will be. Oh yes, I look forward to that time where there will be no more sorrow, no more pain, AND no more parting over there. One day soon, we will all join around the throne with Jesus to never be separated again. I know you are free of pain, tears, and sorrows now. I will always cherish our memories and our fun times together. Thank God, we belong to Him. Love you with all my heart. Sis

“ Working with Doris for 10 years at Wimsatt was wonderful. Her no nonsense, sharp humor made it a joy to come in. And wow, did she have the respect of my managers, so funny to watch. She loved her family and grandkids more than anything and my condolences are with them all. What a special lady! Keep holding those meetings Doris ;) Love ~ Laura Burcaw Sullivan
