“ *Dear family,
So sorry I didn't know about this sooner. I would have come to the funeral home. She was a sister I never knew until a few years ago, but I felt the kinship. I wish we had gotten to know each other sooner. Please feel my heart felt sympathy! Love to all!

“ *Pam, Rob, Lindsey and Natalie: I am so very saddened by your loss of a wonderful Mother and Grandmother. So many years have passed but I certainly remember when I felt like I had a very special second Mom too! What an incredibly, kind, loving and giving soul who taught us all so very much and made growing up so special. We are lucky today because we can thank God for giving us Moms like ours. Heaven is Blessed to now have such an Angel. Know that she will never be far away; alway in your heart. May the Lord provide the strength and comfort to make the coming days as peaceful as possible. My love and condolences to all of you. Dana*

“ Fond memories of visits with Doris and Earl. I'm happy to know they shared 57 yrs of marriage. I remember attending their wedding-what a happy occasion that was. Doris and her mother were both such kind soft spoken ladies. They are all together again. Though I'm sure they will be missed by those who loved them in this life, they will reunite with them in the next life when God wills. Joe Bissig's daughter

“ Betty Powell and myself send condolences on the passing of Doris. We knew her for at least 40 years, starting with the "gym class." She was a beautiful lady and was loved by all. Unfortunately, Betty and I will not be able to attend the visitation or the funeral. But please know that Doris and the family are in our hearts and in our prayers.
Love, Ria.
