“ Jennifer, Larry and Trey-  
My heart goes out to you all. My mother passed away the day before your mother did. I just saw it in the papers late last night and I'm sorry I was not able to get to the funeral home to pay my respects. Our mothers still kept in touch. I believe they would see each other at church sometimes. My mom would always let me know she had talked to Mrs. Smalley. I remember your mom playing piano and singing and us getting bags of White Castle's for everyone to eat. You are in my thoughts and prayers.

“ Grandma,  
You will be greatly missed, And until we meet again we hold you in our hearts and remembering all the memories that we share are comforting. I know God is with all of us and comforting us and letting us know everything will be ok. I know that you have just changed address for now and when Jesus calls me home I will meet you again, but until then I will hold you in my heart. Your in Better Hands Now, with Jesus where there is no more suffering and no more pain. I love you Grandma xoxoxoxoxoxoxoxoxoxoxo
