“ *My thoughts and prayers are with all the family at this hard time in their life. It is hard to say good bye but you will all meet one day in heaven. I have so many fond memories of the times we spent together as families. Going to Wyandot Park and playing in the playground, dad and her going down the slide, meals together, spending the night. Memories you cannot erase. Rejoice in the time you had together and the full life she had*
