“ Jack,
Take heart in knowing your Mom is reunited with the love of her life and they can both help guide you on the rest of your life's journey. Take care and may the wind be always at your back and the Sun on your face.

“ To the Aubrey family. I knew Fran from working with her at Kerrick Elem. for many years. She was so special, kind and sweet. We had many lunches and laughs together. She loved her family so much and spoke of all of you so often. She will surely be missed. I pray that God gives you all comfort and peace.

“ To Debbie and your family - I was so very sorry to hear of your Mother's passing. I used to see her regularly at St. Lawrence masses when I would go with my parents and always thought of you. My prayers are with you and your family during this time. May strength and love surround you.

“ My deepest sympathies for the family. As a college friend of Ron's, I only ever met his mother a few times. But I know that she had a profound influence on his life and he was fiercely protective of her. I wish you all peace and strength as you journey through the next difficult days and weeks.
