“ Hubert and Dorothy have been friends of our family for a long time. My dad James Lush loved to pick on her. She was a very kind soul. She would call all of the time to see how my mom was doing when she started going down hill. This is a great sadness. My thoughts and prayers Hubert and the family.

“ *Dorothy was such a dear friend of our family....actually seemed like part of the family. She and Hubert use to go to the country music shows with my parent, James and Vange (Catherin) Lush. The stories that mom and dad would come home and tell. They all had such a great time. I know they are reunited in heaven and my dad is picking on Dorothy about something. You all are in my thoughts and prayers during this time.*
