“ *John and Family,*

So sorry to hear this news. You are in my thoughts and prayers. I have so many great memories of your family when I lived in Louisville 1976-1978...and attended 18th Street Baptist Church. Your parents were so kind to me...and it was a joy to be a part of some of your growing up years. May God bless you all in the coming days.

*Love always,
Crystal Waters Mangrum*

“ *To Frances, Walter and John,*

I am sorry about the death of your mother. I remember her fondly. I remember the times I spent at your house (Frances, remember all the times we played the piano in the basement-well, you played and I sang along). Those are great memories. Both your Mom and Dad were fun and always so welcoming to me. I know you will miss her greatly but hold on to all those great memories of love. I am sorry that I will not be able to attend the memorial service. We have plans to be out of town.
