“ Pam, *Words cannot take away your pain, time will make it easier by knowing your grandma is in a better place now and free from all pain. Now she gets the chance to watch and take care of you and Haley she is your guardian angel. I know your grandma appreciated everything that you, David your mom and Haley did for her, you made her life complete by being there for her. I have you all in my prayers and thoughts. I love you Pam and will be here whenever you need to talk.*
