“ I will always remember how kind she always was to me, helping with dress alterations for weddings. She was so happy to be taking part in wedding planning for me. She was the first person I shared my first pregnancy news with. She was a special friend.

“ Dorothy was a wonderful neighbor and friend. I treasure the memories of easy conversation with her, her laughter as we played Rummy, and her kindness in treating me like a person instead of just a kid next door. Rest in well-earned peace, Dorothy. You will always remain in my heart.

“ *I always remember the summers when Aunt Dorothy came to BG for a summer break. She would get involved in all of the daily routines. When we were in the process of building our new house, She was fixing dinner. Charles was helping his uncle Hobert and ended up in a mud hole from a foundation repair. You can only imagine the confusion. Daddy pulled Charles out and presented Aunt Dorothy with a walking mud cake. She calmly turned the water hose on and went back to cooking chicken. I learned to admire her for her creativity, tenacity, and humor. I will sincerely miss her. Love Becky*
