“ *Would someone please contact me. I loved Aunt Dorothy so much. I am so upset that I never got the chance to go to her funeral and show her my respects. She was one of the sweetest people I have ever known. The last time that I saw her was when me and Jan and Jeanne and Donna all went to her house to visit. I lost her phone number. She used to always keep in touch a couple of times a year and then it stopped after that visit. I just want everyone to know that my sisters and I would have gone to the funeral had we known of her death.*
