“ Aunt Dottie has been a joyful and loving relationship with me for almost 40 years, which started when I was dating and married her niece, Linda. Her cheerful personality and tenacity, at times, led me to affectionately tease her as "Hurricane Dorothy" over the years. We had fun with that.

I will miss her. However, I believe her pain and suffering has turned to rejoicing with our Lord and Savior in Heaven.

“ Our hearts break for all of you today. No one is ever ready to loose their wife, mother, sister, aunt, grandparent, great grandparent... Aunt Dottie will live on in all of our hearts, but is finally at peace with the Lord. May God bless your family during the difficult days ahead.

“ April, I am so sorry of the loss of your mother. It's a very hard thing to go through and my thoughts and prayers are with you and your family. May it bring comfort to you to know she is with her Saviour and you'll see her again some day.

“ It's never easy to lose a loved one, be it spouse, parent, grandparent, or child, but anyone who knew Dottie (that's how I remember her name when she and my brother Jim married, many years ago). I was very young, but Dottie was always nice to me and she was a strong Christian presence in the Silvers family as I was growing up. Our sympathy goes out to the entire family. We regret that we will not be able to attend the services due to traveling out of state, but our hearts will be with you all.
