“ We got to know Dottie through our good friends Sonny and Claire and discovered what a joy she was. As we mark the passing of a kind, loving and happy friend we marvel with admiration at what she accomplished in her lifetime. It is said that the hand that rocks the cradle rules the world and with 71 direct descendents living at the time of her death Dorothy Frantz's positive values and principles will be felt far and wide for a long, long time and lives will be enriched because of the influence of this independent Kentucky lady. “ *Sonny:
Sorry to read of your Mother's passing. I regret that I am unable to
attend visitation or the funeral--I have a bad case of the flu. Just
don't feel up to getting out and wouldn't want to spread my germs
anyway. My thoughts and prayers are with you and the entire family.*
