“ I became acquainted with Dorothy in 2013 and became her son in law in 2015 (when she became Mom). She was always kind to me and my large extended family (2 sons, 9 grandchildren, and several great grandchildren) that blessed her life. All of my ancestors were already in heaven, so Dorothy became Mom to me. We also became friends and enjoyed several family trips together. She lived with her daughter Lisa (my wife) and I for multiple years. I was always amazed at her memories of events, locations and people she had experienced in her 95 years of life. She walked into her 90th Birthday party using a walker due to a broken hip replacement 7 days before. We celebrate Dorothy's 95 years on this earth and praise GOD she is now pain free in Heaven.

“ *Words cannot express how much I already miss you. There is a void in my heart that will never fill. I am so grateful I had you for 52 years. I am so grateful you lived long enough to be a great-great grandma to sweet Claire. I am so grateful you were ALWAYS there for me. Thank you for selflessly giving so much to so many! Most of all I am so, so very grateful I was fortunate enough to have you as my Mema!*

It brings me so much joy knowing you are now surrounded by friends and family who have waited a long time to see you! I keep thinking about Evelyn and Aunt Tina greeting you with a hug and “well it’s about time!!” LOL.

I will miss you terribly on this side of heaven but I am happy you are no longer in any pain. I hope you are running through those wide open spaces and enjoying the sun on your face 😊

Be seeing you.....Amy
