“ Love you very much uncle Doug. You were the kindest man I've ever known. Memories of staying the weekends at your house in the weekends have started to come back and those days will always be precious to me my favorite was when we were all in the basement and aunt Bonnie was trying to teach you to dance. We didn't know it then but those will be memories that I will cherish my whole life. Thank you for being such a great role model love and miss you always
